

Brief Description:

The Sun beach resort complex is a magnificent 4* hotel located in the popular resort of lalyssos (Trianta area), just a few kilometres away from Rhodes with its gorgeous medieval town. The complex consists of 2 renovated buildings, one situated right on the sandy and shingle beach of lalyssos with the second one just 30 meters away, surrounded by 35000 sqm of land with stunning gardens stretching all the way down to the sea. Sun Beach resort offers a fun and relaxing holiday environment with an impressive range of accommodation, fine cuisine & bars, good entertainment suitable for all age groups and a high standard of warm and personal service representing the ideal choice for couples, individuals and families that seek affordable quality. The resort is suitable for people with walking difficulties and wheelchair users.

Location:

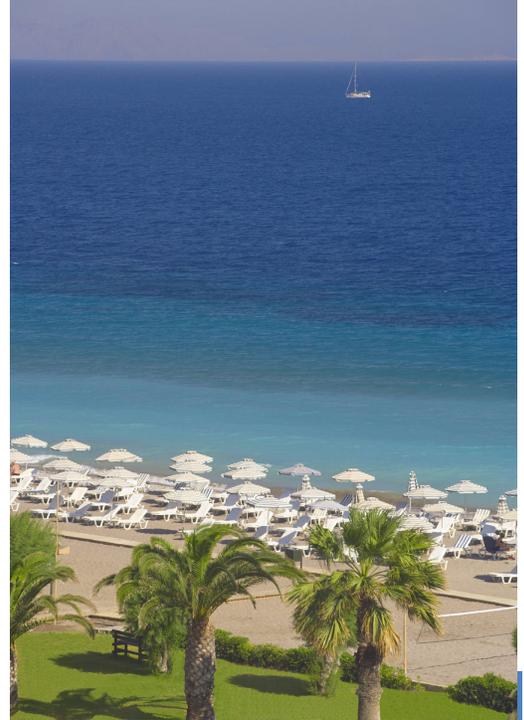

The Sun Beach Resort is one of the very few hotels situated right on the beach of lalyssos bay, on the north-west side of the island, strategically built in a location to offer an unparallel number of options. The lalyssos centre & the village of Trianta is just a 5 minute walk where guests can experience the traditional Greek village vibe with its' local shops, sea side restaurants and bars, the city of Rhodes with its lively atmosphere and key sightseeing sites is only a 5-10 minutes drive, while the hotel *itself is within a 10 minutes distance from the airport and close enough to a high speed dual carriage* enabling a quick and safe drive to most of the island's picturesque places.

Accommodation:

Sun Beach offers a unique diversity of elegantly furnished & spacious accommodation options to suit every taste and need:

The **Standard Guest Rooms** (23m²) are modern and cosy and can accommodate up to 3 persons in a twin bedroom and a separate single bed. The rooms have centrally controlled air-conditioning and heating (June -September), satellite TV with music & radio channels, international direct dial telephones in bedroom & bathroom, access to the internet and feature a WC with granite bench, bath with a shower attachment and a furnished private balcony or terrace. Additional amenities include a writing desk corner, mini fridge, hairdryer, safe deposit box (chargeable), magnetic key cards, smoke detector in the bedroom, sound proof windows and enhanced safety features. All standard guestrooms offer a land or garden view and are available for single use.

The comfortable **Family Rooms** (25m²) have a total capacity of 4 persons (up to 3 adults) accommodated in three twin beds and a camp bed and feature a furnished balcony or terrace. Equipped with the exact same wealth of facilities / amenities found in the standard guestrooms, with either a land or a garden view and close to the various children facilities found in the complex, these rooms promise to fully satisfy all families' needs.
